

Dear Candidates,

Date: 26/04/2016

Greetings from Royal Group of Institutions, Guwahati!

Royal Group of Institutions is happy to inform all about the introduction of B.Com classes in two shifts (**morning and day**) i.e 6:20am -10:45am & 9:00am -3:00pm from the academic session 2016-17 for the benefit of aspiring Chartered Accountancy students in particular and self-employed as well as working candidates in general.

Royal School of Commerce (RSC), since its inception in 2011, has been a trend setter in the field of higher education. The school offers a plethora of exciting moments to the students in curricular, co-curricular and extra-curricular activities and prepares them to be highly successful in the area of their choice. The academic achievements by the students have also been very commendable all throughout.

In continuation of our efforts for providing better education facilities to the society, we hope this move will facilitate the students like you to attend CA/other professional classes without compromising regular college attendance. The student can opt for any of the shifts that suit his/her convenience.

Looking forward to a favorable response.

With Thanks & Regards

Srawan Kr. Goenka
